

## Key Features

True 4K Ultra HD Resolution | Cinema SuperColor™ Technology | Ultra-Short Throw Projection | Long-lasting Laser Phosphor Light Source | Harman Kardon Sound with Dolby/DTS Support

## Product Description

Combining stunning true 4K resolution with Wi-Fi-enabled streaming functionality, the ViewSonic® X2000B-4K smart laser projector delivers a cinematic experience with the ease and convenience of ultra-short throw projection. With a 0.22 ultra-short throw lens, this laser projector can be placed just a few inches away from a wall or screen, and project an immersive image up to 100". Setup is a breeze too; no matter how your home theater is configured, this projector delivers immersive images on flat screens, curved walls, and everything in between thanks to its flexible 4-corner adjustment capabilities. Whether simply placed on a media stand or mounted to the ceiling, this projector delivers vivid and razor-sharp images thanks to HDR/HLG support, Rec. 709 compatibility, and stunning true 4K Ultra HD 3840 x 2160 resolution. Dual integrated Harman Kardon customized speakers deliver room-filling audio for an immersive home theater experience. Embedded Wi-Fi connectivity enables screen mirroring directly from smart devices to the big screen, making content streaming easier than ever. Built with 2nd generation laser phosphor technology, the X2000B-4K is geared for instant entertainment and ready deliver up to 20,000 hours of stunning home entertainment.
