

## 2 SHELVES TROLLEY FOR PROJECTOR AND NOTEBOOK

light, handy and foldable

The trolley for projector and notebook is the ideal solution for any circumstances that require the projector and the notebook to be moved from one environment to another: standard equipped with two convenient wheels, easy to use and foldable in a few actions, takes up little space and offers size convenience and mobility available at once!

### Technical specifications

- Tubular steel structure telescopic from 80-120 cm
- Excellent stability and total absence of vibrations thanks the low center of gravity of the base
- 2 shelves format 24x36 cm and 32x42 made in laminated, color light gray, rounded borders. Tilting at 90°. The lower shelf can be rotated on the axis of the tubular structure thanks to a special locking / unlocking device.
- 2 swivel castors, Ø 12.5 mm, 7.5 kg load capacity each wheel.
- 2 front legs with adjustable height for maximum structural stability and to adjust the angle.
- Epoxy powder coating in white
- Maximum load shelf notebook: 5 kg
- Maximum load shelf for projector: 10 kg
